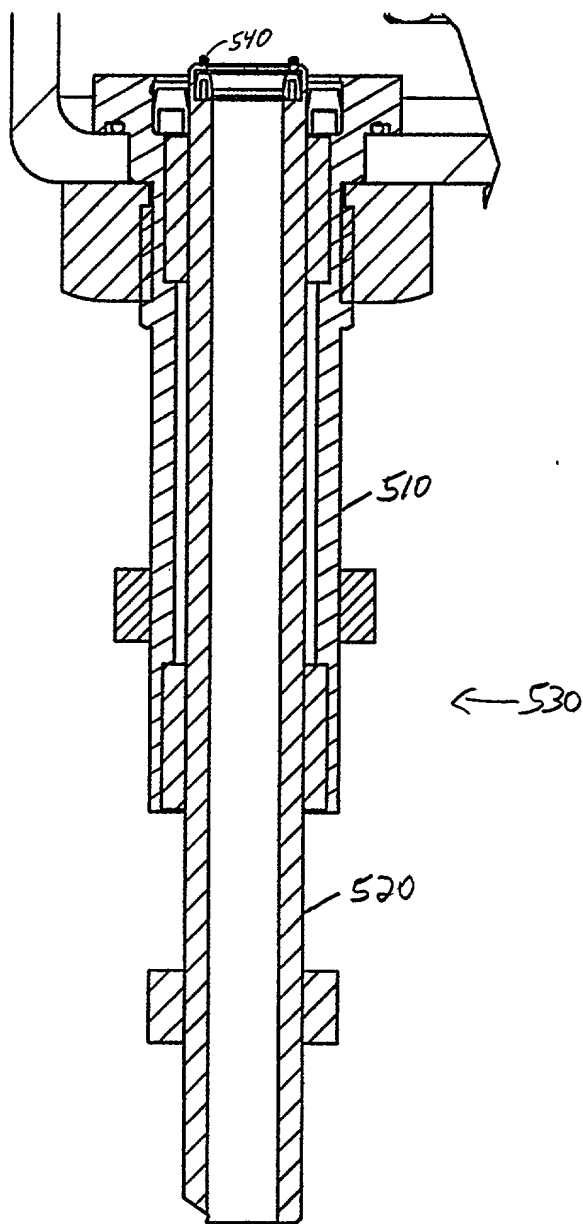

**FIGURE 7**

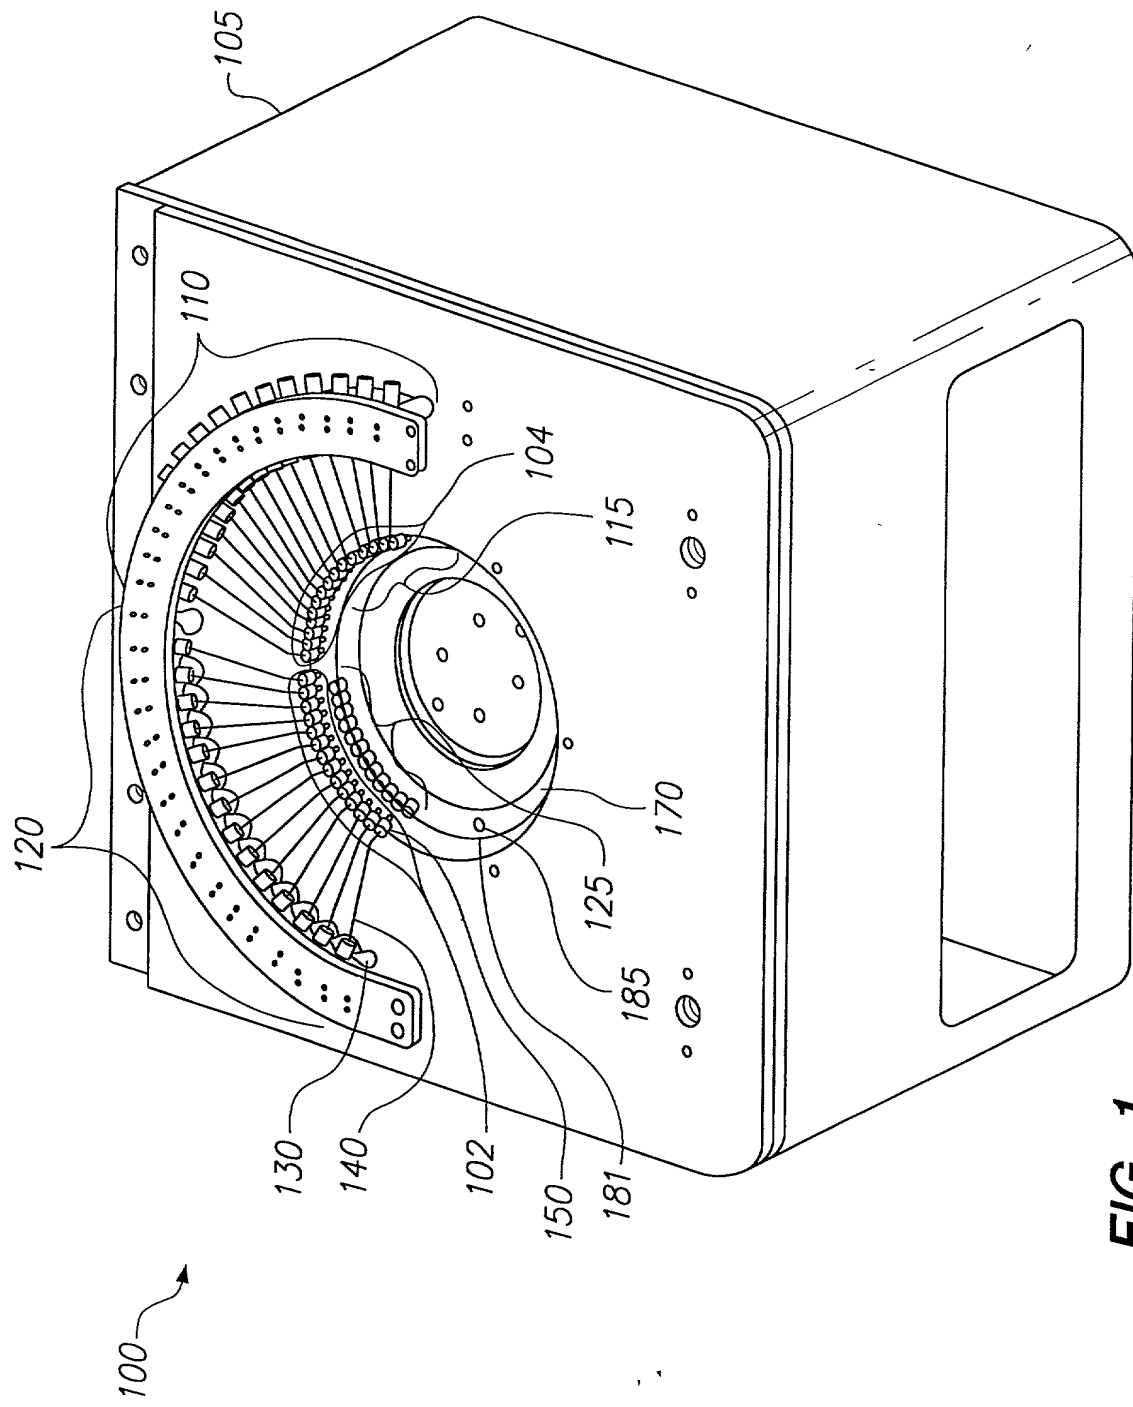

The diagram illustrates a system architecture. On the left is a large square block labeled 100. A wavy line connects block 100 to a vertical stack of three rectangular blocks on the right. The top block in the stack is labeled 830, the middle block is labeled 810, and the bottom block is labeled 820. A bracket on the right side of the stack groups these three blocks together. Above the stack, the number 800 is written with a downward-pointing arrow indicating the entire stack.
